

Good Day Mens League Teams,

Wow, what a night it was at the Opening Men's League Draft Party! If you couldn't make it, you definitely missed out on one heck of a good time.

A big shout out and thank you to our opening sponsors Canada Radon – Brad Goemans, JTL Integrated Machine LTD. – Victor Oreskovich, Mike Knapp Ford – Mike and Heather Knapp. We couldn't do it without your gracious support.

Here's a quick rundown of all the fun and hilarity that went down:

The Reverse Putt Scramble, Let me tell you, trying to hit those long putts was both a challenge and an absolute riot! It was like watching a bunch of monkeys trying to solve a Rubik's cube - entertaining and slightly chaotic, but ultimately a blast for everyone involved. Doubts were out there on how it would turn out and Brad Saplywy took a beating, But when it was all said and done the golfers had lots of fun. It definitely was a topic of discussion throughout the day.

Shoutout to our amazing chef for whipping up a meal that was nothing short of spectacular. Plates were piled high with deliciousness, and the food disappeared faster than you can say "birdie."

Congrats goes out to the winners of the Scramble:

Front Nine 1st Place – Frank Mortenson, Dylan Kinch, Dave Zezella, Louis Cercone \$400.00

Front Nine 2nd Place – Philip Janzen, Ryan Bissell, Graham Hearn, Andrew Smith \$300.00

Back Nine 1st place – Lou Gallardi, Michael Ackroyd, Bruno lafrate, Bart Klimowicz \$400.00

Back Nine 2nd Place - Aaron Baiano, Cameron Wielhower, Tim Clutterbuck, Adam Defruscia \$300.00

We're not saying they cheated, but let's just say their scores were suspiciously low... just kidding (or are we?).

Draft Day Madness: Thanks to everyone for keeping the draft moving at lightning speed. Teams are looking balanced, except for Brett Beauparlant's - he's clearly on a mission for redemption this year! We are also wondering why Daniel Klimowicz wasn't sitting at the Captains Table he actually picked all of Shawn Petlichkov's picks.

It was awesome to see Patryk Wasiak back in action, even if he did leave a crucial part of himself at home, And Marc Ingrado's appearance had us all questioning reality - turns out he's not just a mythical golfing legend after all. Cole's got big plans to pick his own team next year and not every player already picked on the other teams, and Paul Lord is promising to ditch his nudist colony lease and make it back to Canada for the draft. Carl, well, let's just say he's invested heavily in sticky notes for some reason...Have a look at his draft notes. Dave Salvian, we're counting on you to hang out with Mike Venditelli more and boost your voice presence. And a big warm welcome to over 40 new members joining the league - let the shenanigans begin!

In all seriousness, huge thanks to our captains for a job well done. Here's to another epic season of golfing goodness!

Please ensure you come and see any of the committee members if you have any comments, suggestions or just want to buy us a drink.

Please ensure you thank your sponsors they have stepped up to ensure we have great events.

We hope that you all had a great night. We are still working through all the logistics of the league, due to the new system but it should all be all worked by the second week.

Enjoy Guys ...This is your league.
